

Abdulmonem Alrashed Humanitarian Foundation (AAHF) Handbook

We trust the capabilities of the Saudi citizens. In addition to our great faith in Allah, we also have faith in the ability of the Saudi citizens to build their country, and to be responsible for it. Every citizen in our country and every part of our dear country is the focus of my attention and care; we look forward to everyone's contribution to serve the country.

The Custodian of the Two Holy Mosques
King / Salman bin Abdul Aziz Al Saud

Success stories always begin with a vision,
and the most successful visions are those
that are built on strengths.

His Royal Highness, Crown Prince, Prime Minister
Prince / Muhammad bin Salman bin Abdulaziz Al Saud

Building as well as empowering the human

being is the path we have chosen in our social initiatives; the advancement and improvement of individuals will positively change the surrounding Community.

Abdulmonem Bin Rashed Alrashed
Chairman of the Board of Trustees in AAHF

Our Goals

1

Providing financial support to charitable societies that fulfill the objectives of the AAHF and that are authorized by the Ministry of Human Resources and society Development

3

Cooperating with other local societies whose objectives are consistent with the goals of AAHF and also holding agreements with these societies to achieve any of the aforementioned goals

5

Supporting projects, initiatives and programs that contribute to the needs and development its community members

7

Supporting shelter centers through improving and developing the beneficiaries

2

Enabling limited-income people who benefit from charitable societies and social Security so that they become self-dependent rather than in need of help and support

4

Empowering and qualifying talented and distinguished young men and women both locally and internationally by organizing qualitative initiatives in the educational and cultural fields

6

Developing and empowering orphans, individuals with similar conditions and those who have special circumstances

8

Contributing to the housing development projects and renovating the homes of the most needy families
